75	<p>Rakes End Tip Wood No change since last meeting but LF to chase council for official handover documents</p>
76	<p>Mere wall Repair on the front wall has been completed and an invoice submitted which has a few queries. Action LF to follow up The PC will investigate other contractors with their availability to do side walls.</p>

77	<p>Risk Assessment No new risks were identified.</p>
78	<p>Memorial Cleaning Now completed LF to apply for payment of the grant and arrange for announcements to be put in local press.</p>
79	<p>Jack Mere Car Park and Frost Mere car parking area. The sough has now been emptied which seems to have alleviated the draining slightly, however this needs to be done on a regular basis therefore the PC are contacting a local contractor to do this but will need to apply for a licence for disposal of the waste. Action LF to follow up. The PC also propose getting a quote for professional survey and suggestions for repair. Drains on Chapel Street LF contacted and has been assigned a job number (50062294)</p>

82	<p>Public Toilets Heads of terms have been reviewed by Sir W Blackburne on behalf of the PC and no objections noted and so we have responded to the district council to proceed with handing over of the toilets. Meanwhile PC to approach local cleaners to see if prepared to take on bi weekly cleaning of toilets. Money box options at Hathersage, Ashford and Youlgrave visited and because of the siting of Monyash toilets the best option would probably be a strong box embedded in a stone wall as per the car park at Jack Mere</p>
83	<p>Quaker house It was brought to the council attention recently that the Quaker house is to be converted to residential dwelling but no details about this and the future of the gravestones has been received for several months. Action JS to follow up.</p>
68	<p>Clerk's report Telephone mast is now in place</p> <p>There has been some concern about refuse bins being left in the street outside collection times. Having discussed with the council they confirmed that bins should not be left outside the front of houses and if there are persistent offenders to notify the council who will contact house owners.</p> <p>LF has ordered remembrance wreath and will also investigate ordering some lamp post poppies.</p>

	<p>It has also been brought to the attention of the council that there appear to be a number of wooden buildings potentially being used as stables which fall outside planning regulations. Action PC to discuss with planning department.</p> <p>A register of councillor's pecuniary interests needs to be stored on file. A paper copy given to each councillor for completion and collection at next meeting.</p>
